SketchUp Plugins Recommendation

Invoicethru.psd Question 1. The Washington, DC area has become a hot spot for marketing innovation. Have you been looking at capturing data about how people interact with the above promotional materials? I'm thinking about creating a basic RFID reader to track the use of signage and while traveling around the country, I'll be able to know just how effective the advertising effort was. Do you know of any libraries where I could get a cheap RFID reader? Question 2. What would you do if your team was presented with an image like this? What's your first reaction? Does the image strike you as sexist? Question 3. Would you consider 1) locating the hotspot of the image by marking a point and using that point as a place to start or 2) leaving the hotspot off the photograph and creating a sort of hotspot of light to indicate its existence within the photograph? Don't forget to vote! Soap Bubble Sketchup Download 11 1. Is this a typical selling point? Does it make sense for the product? 2. Is this a typical thing? 3. Does this make sense in terms of the selling points you've created for your product? Related Collections.
